### **TRAFFIC INTERRUPTIONS AROUND PITTSBURGH**

The Liberty Bridge is closed for emergency repairs, AND the Clemente Bridge (6<sup>th</sup> Street/Federal) is closed for the "Pup Crawl" on Saturday 9/17. You'll need to get creative with your Pittsburgh driving!

In addition, the "T" has a workaround on the Red Line, so you may prefer the Blue Line.

Parking options include Blue 10 North Shore Garage or Red 5 West General Robinson Street Garage. The event cost is usually \$4-5 per car. There may also be parking at the nearby Andy Warhol Museum.

OR take the "T" and get off at the NORTH SIDE stop across from PNC Park. The Red Line from the Mt. Lebanon station is partially under construction, but a shuttle bus will be available to get you around that section. Or (better?), you can take the Red Line towards Castle Shannon to the Overbrook Junction stop and cross the walkway to get the Blue Line towards downtown from the Willow Ave stop. Both options take you all the way to PNC Park. Complete information about the "T" to PNC Park can be found at: <http://www.portauthority.org/paac/SchedulesMaps/StadiumService.aspx>

OR Uber it!

ENTRANCE: Enter via the Press Doors along General Robinson Street. We will have an A-Frame sign that reads "Mt. Lebanon Class of 1976 Reunion" outside of that entrance. PNC Park security staff and elevator operators will be at the entrance to direct you to the Keystone Club where you will register.

PHOTOS: A professional photographer will be available to take group pictures only.

Prints and other items will be available to purchase from the photographer's website.
