THE REUNION SCOOP – READ ON FOR ALL THE DETAILS

Our 45th Reunion weekend kicks off Friday night with some casual get-togethers, and the main party is Saturday at beautiful Scott Park, which has both a large outdoor pavilion and an indoor lodge for gathering. Along with the golf event, we are gauging interest in free or low-cost options for Saturday and Sunday mornings.

For the Saturday Reunion in the park, we have arranged for the favorite BRGR Food Truck & Bar to be with us, some lighter bites and cake, and you can also BYO food and drinks (*no glass containers*). We'll have a DJ to set us up with great '70s music, plus class slide shows/videos, memorials, and other open-mic presentations! Your help is welcomed, from setting up to finishing up.

This Reunion was planned with maximum flexibility and low upfront costs in mind, in case COVID required our plans to be scaled back or changed at the last minute! To do more than a "Zoom Reunion", we made park reservations last winter. The good news is that this is the *least expensive* reunion we've ever had!

FRIDAY EVENING

Let's Get Started

- South Park Summer Concert Series
 - A great way to kick off the weekend, with a Concert at the Amphitheater starting at 7:30 and Food trucks (including Hop Farm Brewing) starting at 6:00 if you want to grab dinner first! The band scheduled is "Low Cut Connie", which looks like a fun cover band. <https://www.alleghenycounty.us/special-events/summer-concert-series.aspx>
- The Saloon
 - What would a reunion be without gathering at the Saloon to break the ice and attempt to recognize people you haven't seen in 45 years? It's a NO NAMETAG ZONE! 622 Washington Rd, Mt. Lebanon - <http://www.saloonofmtlebanon.com/>

Yes, it's true. A microbrewery right in Mt. Lebanon where you can grab a light bite and try some hand-crafted beers

Haven't seen "The Burgh" recently? There are a lot of ways to see what's old, what's new, or to just enjoy downtown and what it offers in a way you probably never have. Just a few suggestions:
